Terms and Limitations- Gemstone/Mala/ Bracelets

This report is submitted by the Gemaura Lab upon the request of the customer and for his/her exclusive use. This report by no means is a guarantee/warranty of monetary statement. The report and all related documents, are subject to Identification/observation and is based on examination. Identification is as per mounting permits in case of mounted gemstones. Measurements are approximate, not applicable in case of mounted/bracelets/mala, description may differ or vary from this report, depending on time of identification means, method and equipment used and year, under what condition and by whom. Identification may also vary if any changes or treatments done after Identification report is issued or in certain point other gemstone is presented of same measurements and shape/cut. In case of Origin mentioned it is purely based on scientific literature found from different sources and can vary from report as mines around the world produce gemstones that display similar properties. In rubies and sapphires heat treatment is performed at high temperature hence in some occasions it is not possible to mention. Emeralds are generally oiled hence not mentioned separately. In case any treatment is not mentioned does not give assurance that treatment is not carried out as in some cases it's not possible to detect and if treatment is done after certification. SG/ R I mentioned is a range of its family. The actual appearance and size of gemstone may vary from its photographic representation. The report is considered as null and void if any alternation(s) is 'are made to the gemstone unmounted and also if any changes made to jewellery itself in mounted conditions or to the report/packing itself. As agreed by customer on submission this report in or in part shall not be used for any legal opinion and action and thereby no claims can be made in any regards Gemaura Lab is on no account responsible for possible inaccuracy/dissimilarities/differences due to technical /mechanical defects and error that could appear from repeated examination or compared with any other report for the same. In the event of claim by the client or any person or the damage to the gems/jewellery, or damages resulting directly or indirectly from this report the liability of Gemaura Lab or any member of its staff shall be limited to the amount it receives as a fee, in connection to this report.

Same details may be on same looking bracelets/mala/artefacts as they are certified in bulk and randomly checked

This report shall be governed by Indian Judicial System & All matter shall be subjected to Mumbai Jurisdiction within the state of Maharashtra, India only.
